

# Safety Data Sheet

IN ACCORDANCE WITH REGULATION (EC) № 1907/2006

Printing date: 01.04.2021

Page: 5

## SECTION 1: Identification of the substance / mixture and of the company undertaking

### 1.1. Product identifier

Trade name:

Standard gypsum plasterboards Technogips Pro A  
Standard gypsum plasterboards Technogips Pro H2  
Standard gypsum plasterboards Technogips Pro DF  
Standard gypsum plasterboards Technogips Pro DFH2  
Standard gypsum plasterboards Technogips Titan Board Pro DFH1IR  
Exterior board Technogips Pro Blue Board GMFH1IR 12.5  
Standard gypsum plasterboards Technogips Pro Sound Comfort Extra Type DF

**1.2. Relevant identified uses and uses advised against:** Boards, consisting of a gypsum core and a sheath of special two-way paper. Applicable for construction of surfaces, suitable for painting, finishing plaster or placing wallpapers indoors in normal humidity. Standard plasterboard, type A are elements of building systems for partition walls, ceiling and wall linings.

### 1.3. Details of the supplier of the safety data sheet:

Manufacturer:

**Formatt Building Products Ltd.** – Registered address: 49B Bulgaria Blvd.,  
Entr. A, Sofia 1404, Bulgaria | Office address: Dospat 2 St, Sofia 1606,  
Bulgaria

Responsible person:

sales@technogipspro.com

tel.: тел: +359 2 805 11 66 /Workdays 8:00-16:00/

### 1.4. Telephone number in case of emergency

European Emergency Number: 112

## SECTION 2: Hazards identification

### 2.1 Classification of the substance or mixture

2.1.1 Classification according to regulation (EC) Nr. 1272/2008: Not classified

### 2.2. Label elements

## SECTION 3: Composition / information on ingredients

**3.1. Substance:** Plasterboards with gypsum core, double side laminated with special cardboard. Dangerous components: None

## SECTION 4: First aid measures

### 4.1. Description of first aid measures

After inhalation: remove victim to fresh air and keep at rest in a position comfortable for breathing.

After skin contact: Rinse mouth with plenty of water for at least 15 minutes.

After eye contact: Rinse out with plenty of water.

After swallowing: Drink a lot of water. If needed get medical advice/ attention.

### 4.2. Most important symptoms and effects, both acute and delayed

No further relevant information available.

- 4.3. Indication of any immediate medical attention and special treatment needed**  
No further relevant information available.

### SECTION 5: Firefighting measures

- 5.1. Extinguishing media**  
All known firefighting methods (water, water mist, foam, carbon dioxide), suitable to surrounding conditions can be used.
- 5.2. Special hazards arising from the substance or the mixture**  
No further relevant information available.
- 5.3. Advice for firefighters**  
No special measures required.

### SECTION 6: Accidental release measures

- 6.1. Personal precautions, protective equipment and emergency procedures**  
Avoid dust formation. Observe requirements for safe work.
- 6.2. Environmental precautions**  
Do not allow large quantities of the mixture to reach sewage system and ground water.
- 6.3. Methods and material for containment and cleaning up**  
In case of spillage, rake the spilled mixture out and dispose it at the pointed out by the local authorities places.
- 6.4. Reference to other sections**  
See Section 7: Handling and storage  
See Section 8: Exposure controls / Personal protection  
See Section 13: Disposal consideration

### SECTION 7: Handling and storage

- 7.1. Precautions for safe handling**  
It is advisable to use protective glasses and respiratory masks during mixing and stirring the mixture with water. Follow work instructions from the label.
- 7.2. Conditions for safe storage including any incompatibilities**  
No relevant information for incompatible products.  
Store in cool and dry storages within 6 months from the date of manufacturing printed on the pack. Do not allow contact with water and/or moisture.
- 7.3. Specific and use(s)**  
The product has no other uses than those specified on the label and product data sheet.

### SECTION 8: Exposure controls / personal protection

- 8.1. Control parameters**  
The product does not consist of substances, requiring monitoring at the work place.

**8.2. Exposure controls**

Limit values:

CAS №	Molecular formula	Limit value (in air)
10034-76-1	CaSo4 x 0.5H2O	6 mg/cm <sup>3</sup>

Avoid contact with eyes and skin.

Do not inhale dust.

**8.3. Personal protection:**

Respiratory protection: It is recommended to wear dust mask /type FFP1/.

Eye protection: It is recommended to use protective glasses.

Skin protection: Normal work clothing is sufficient.

### SECTION 9: Physical and chemical properties

- 9.1. Information on basic physical and chemical properties**  
Appearance: Powder  
Colour: White with yellow, grey, blue or beige shade

Odour: None  
Odour threshold: Not applicable  
pH: Around 7 in saturated aqueous solution  
Melting point / freezing point: Not applicable  
Boiling point: Not applicable  
Flash point: Not applicable  
Evaporation rate: Not applicable  
Upper / lower flammability or explosive limits: Not applicable  
Vapour pressure: Not applicable  
Vapour density: Not applicable  
Bulk density: Around 1.0 kg/l  
Relative density: Not applicable  
Solubility in water: 2.5 mg/l (calcium sulfate / gypsum)  
Partition coefficient n-octanol /water: Not applicable  
Auto - ignition temperature: Not applicable  
Viscosity: Not applicable  
Explosive properties: Not applicable  
Oxidizing properties: Not applicable

#### SECTION 10: Stability and reactivity

- 10.1. **Reactivity: No further relevant information.**
- 10.2. **Chemical stability:** Not applicable, when following the storage instructions see Section 7: Handling and storage.
- 10.3. **Possibility of hazardous reaction:** Not applicable, when following the storage instructions see Section 7: Handling and storage.
- 10.4. **Conditions to avoid: See Section 7:** Handling and storage.
- 10.5. **Incompatible materials:** Avoid impact of moisture.
- 10.6. **Hazardous decomposition products:** Not applicable.

#### SECTION 11: Toxicological information

- 11.1. **Information on toxicological effects:** No information
- 11.2. **Information on possible ways of exposure**
  - When swallowed:**  
Unlikely route of exposure when the product is used properly.
  - After contact with the skin:**  
Skin absorption is unexpected.  
Non-continuous single contact with the skin is unlikely to cause irritation. More continuous and intense contact with the skin may cause irritation.
  - After inhalation:**  
Single inhalation is not expected to be hazardous
  - After contact with the eyes:**  
It may cause slight temporary irritation of the eyes. Damage to the cornea is not expected.
  - Other data:**  
There is no data about any mutagenic influence.  
There is no data about any carcinogenic effect.  
There is no data about any fertility harm effect.

#### SECTION 12: Ecological information

- 12.1. **Toxicity:** The mixture is environmentally safe.
- 12.2. **Persistence and degradability:** No further relevant information.
- 12.3. **Bioaccumulative potential:** No further relevant information.
- 12.4. **Mobility in soil:** No further relevant information.
- 12.5. **Results of PBT and vPvB assessment:** Not applicable.
- 12.6. **Other adverse effects:** Not applicable.

### SECTION 13: Disposal consideration

**13.1. Waste treatment methods:** Product: Disposal must be made according to local regulations: in solid state in small quantities it could be disposed with household waste, if else it is treated as mixed construction waste.

European Waste Catalogue:

Code:	Waste name:
<b>17 08 02</b>	Construction products based on gypsum, which have not been contaminated with hazardous substances. Waste products which require special supervision for complete destruction, waste products which do not require special supervision for re-use/utilization.
<b>17 09 04</b>	Mixed waste from construction and demolition, which have not been contaminated with hazardous substances. Waste products which require special supervision for complete destruction, waste products which do not require special supervision for re-use/utilization.

Packaging: The packages can be recycled after proper emptying and cleaning.

### SECTION 14: Transport information

**14.1. UN number:** ADR, RID, IMDG, ICAO/IATA no further relevant information.

**14.2. UN proper shipping name:** ADR, RID, IMDG, ICAO/IATA no further relevant information.

**14.3. Transport hazard classes:** ADR, RID, IMDG, ICAO/IATA no further relevant information.

**14.4. Packaging group:** ADR, RID, IMDG, ICAO/IATA no further relevant information.

**14.5. Environmental hazards:** ADR, RID, IMDG, ICAO/IATA no further relevant information.

**14.6. Special precautions for user:** ADR, RID, IMDG, ICAO/IATA no further relevant information.

**14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC code:** Not applicable.

### SECTION 15: Regulatory information

**15.1. Safety, health and environmental regulations / legislations specific for the substance or mixture:**

The product does not contain information about the ozone layer according Reglament/EO/2073/2007

The product does not contain substances, persistent organic pollutants under Reglament/EO/850/2004

According EO/67/548 the product does not require labeling for dangerous products.

**15.2. Assess the safety of the substance or mixture:** There are no estimates available.

### SECTION 16: Other information

The safety data sheet is based on the knowledge of the manufacturer for safe handling this material. The present information is providing guidance for safety work and is not a guarantee for technical characteristics.

**16.1. Statements indicated in Chapter 3**

**16.2. Sources of information**

**Regulation (EC) No 1907/2006** of the European Parliament and of the Council of 18.12.2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and the relevant international rules for transport

**Regulation (EC) No. 1272/2008** on classification, packaging and labeling of dangerous substances and mixtures

**Regulation (EC) 453/2010** amending Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18.12.2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) .7
